The Boeing B737 Aviation & Training Centre, 307NE Commercial Road,
Bournemouth Airport, Hurn, Christchurch, BH23 6NW.

Tel: 01202 582354 ~ Fax: 01202 331901 ~ E-mail: mail@jare-atp.co.uk

How to find the JARE ATP B737 Centre

Our B737 Trainer Aviation Centre is at Aviation Park West at Bournemouth International Airport which is on the other side of the airport from the main Terminal Building. We share Building 307NE with KDC whose name you see on the main part of the building.

The B3073 is the main road which leads to both the airport and our Centre.

There is also an excellent set of main roads to help everyone travel to our Centre from North, West and East – either from the East via the A338 or West via the A350/A31. From the East the M27 (which also links from the North and London via the M3) becomes the A31 dual carriageway which links by a turnoff directly into the A338 and then the B3073. The A31 also links directly from the West (from the A350) you can then follow clear signs for Bournemouth Airport.

If coming from the East via the A338 and then B3073 you will find the Airport on your RIGHT – do NOT go to the terminal; instead carry on the B3073 which runs along the airport perimeter right past the end of the runway bearing right and then you will come to a roundabout.

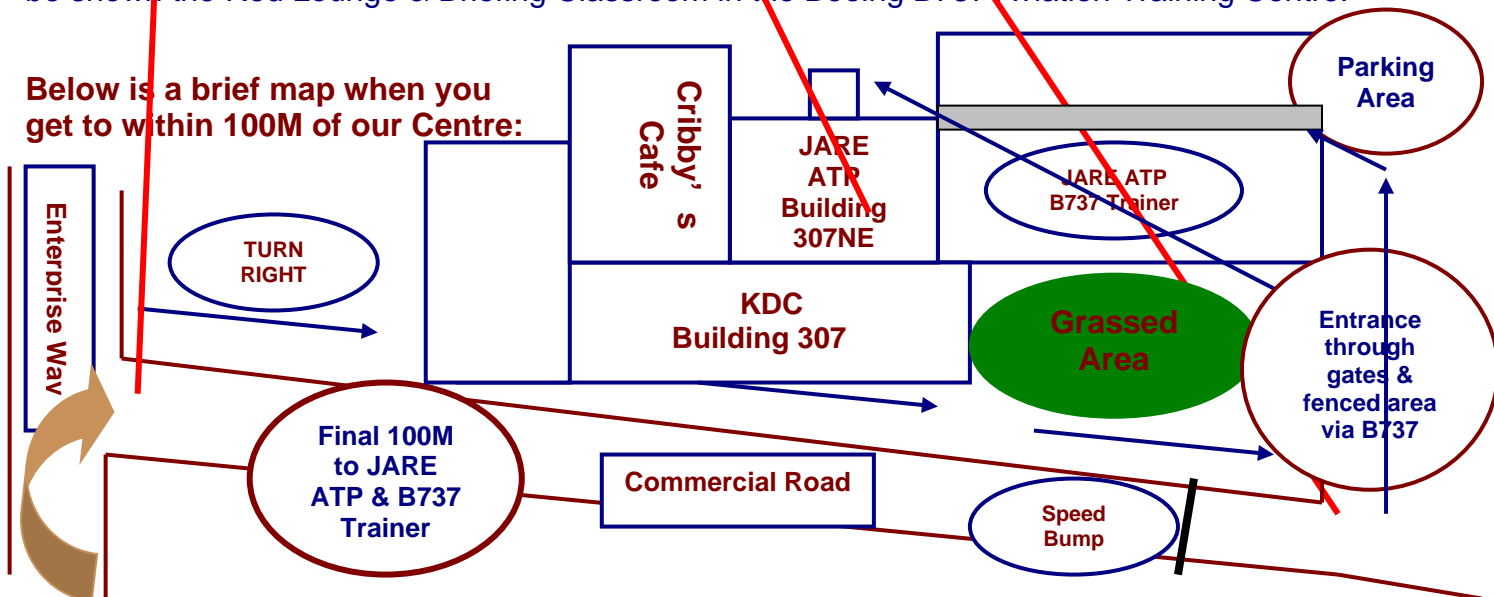

Take the right hand turn around the roundabout to head into the Aviation Park West (Chapel Gate) you will pass a Security Barrier – this is usually raised, if not state that you are going to JARE ATP 307NE Commercial Road & they will let your thorough, this road then becomes Enterprise Way.

BEWARE of “sleeping policemen” in this area which, for all vehicles, need to be approached slowly!

At the first roundabout in the complex turn left (**at Honeywell**) and continue along **Enterprise Way** looking out after about 200M for a right hand turn (after two road bumps) and turn right into **Commercial Road** & proceed to the main road bump 100M down Commercial Road and turn immediately left and our building is immediately on the left – you will see our B737 aircraft outside our building, you will also see our JARE ATP signs showing where our building is located and parking.

Visitors/Participants/Students can use the toilet facilities adjacent to the entrance area and will then be shown the Red Lounge & Briefing Classroom in the Boeing B737 Aviation Training Centre.

Below is a brief map when you get to within 100M of our Centre:

**Detail of route from entrance to Aviation Park West at
Bournemouth International Airport**
(please remember we ARE NOT at the Airport Passenger Terminal)
to our JARE ATP Boeing B737 Aviation Trainer Centre **N.B. Not to scale**
